

BRAINLAB LUNCH SYMPOSIUM

DECISION-MAKING WITH TREATMENT RESPONSE ASSESSMENT MAPS (TRAMs)

Brainlab cordially invites you to join our Lunch Symposium at **BNOS 2017** to learn about Treatment Response Assessment Maps (TRAMs), a novel MRI-based methodology for the high resolution depiction of tumor and non-tumoral tissues in brain tumor patients.

Developed at Sheba Medical Center, Tel Aviv, with technology provided by Brainlab, Elements TRAMs serve clinical specialties including radiosurgery, radiation oncology, neurosurgery, neuro oncology and neuroradiology.

AGENDA

13:00 – 13:40

Delayed Contrast Extravasation MRI for Depicting Tumor and Non-Tumoral Tissues in Primary and Metastatic Brain Tumors

Prof. Yael Mardor

Sheba Medical Center, Tel Aviv

13:40 – 14:00

Brainlab Elements - The Future of Radiosurgery

Sharan Konerira

Brainlab

DATE

Thursday, June 22, 2017

13:00 – 14:00

LOCATION

Room Prestonfield

South Hall

Pollock Halls Campus

Edinburgh

REGISTRATION

For more information and to register, please email Lisa Maier at lisa.maier@brainlab.com.

Lunch will be provided.

Visit the Brainlab booth in the South Hall Complex at **BNOS 2017**.
